

# Clinical Psychologist - ADOS Trained -£48,000 - £55,000 FTE.

Are you wanting to deliver the gold standard in autism assessments?

Would you like flexible hours that suit you?

We are one of the UK's leading privately owned mental healthcare providers. CQC registered and a designated body, we work with the leading neuro-developmental specialists and have recently developed an updated pathway for our autism assessments that combines the ADI-R and ADOS-2 tests.

In joining Clinical Partners you will join an established team of clinicians and have access to our comfortable and spacious consulting rooms nationwide. You will have the full support of our qualified triage team and an industry leading digital platform that streamlines the experience for both yourself and your patient – removing much of the administrative requirement and helping to improve patient outcomes.

## ADOS – 2 and beyond

With demand consistently high across both our NHS and private practices, we are now looking for experienced ADOS-2 trained practitioners to join our team.

- You will be responsible for delivering ADOS-2 assessments reporting to our Medical Director, the job plan will include;
- ADOS-2 assessments (3 per day)
- Diagnosing, conferring and working with our ADI-R clinicians
- Report writing

## Required qualifications and experience
